Serge MathieuS

CHAMPAGNE

The Mathieu family has lived in Avirey-Lingey since at least the 18th century. They go to great lengths to harvest grapes at optimum ripeness.

In the winery they try to obtain as much personality and flavour from these grapes, which involves a light hand in vinification and careful thinking.

What results are showstopping authentic champagnes that are true expressions of what the region is renowned for.

BRUT PRESTIGE

70% Pinot Noir, 30% Chardonnay.

There's an intensity to this firm Champagne, with structuring notes of white peach, pear and lime, stony mineral notes and a hint of beeswax. Vivacious, with a chalky sensation on the finish. An incredible value!

\$79.99 +tax

BRUT SELECT

80% Chardonnay 20% Pinot Noir

The maison's grand cuvée. During the harvest, the finest grapes from the top vineyard sites are selected and only the first press juice is used. It is generous and harmonious, with fine, delicate citrus notes on the palate.

BUY

MILLESIME 2009 100% Pinot Noir

BRUT

2009

Clear, fresh and straight fruit of yellow skinned apples and Williams pears along with citrus flavors and some stony notes on the nose. This is remarkably elegant and delicate with a mineral backbone and an excellent grippy finish.

CHAMPAGNE Wine Spirits top 100 tasting FLEURY

Champagne Fleury has been around since 1895, releasing their first bubbly in 1929. The vineyards themselves are located on steep slopes that have a calcareous clay soil and see ample amounts of sun, so the grapes have an outstanding ripeness. Continental and oceanic climates combine for cool mornings and nice bursts of heat in the afternoons.

Fleury was one of the first vineyards to start converting to biodynamics, beginning in 1989, completing the process for all of their vineyards by 1992. This year Fleury celebrates 25 years of Biodynamic winemaking. Jean-Pierre Fleury can be crowned pioneer in Champagne when it comes to biodynamic viticulture.

BLANC DE NOIRS BRUT

100% Pinot Noir, A real deal Champagne, it is both fruity and delicate, and decidedly elegant with a neverending finish. Classic, smooth, and very rich in style, it is mouthwateringly dry with a wonderful black cherry fruit quality

A long and refreshing Champagne that exudes class!

ROSÉ DE SAIGNEE BRUT

100% Pinot Noir made by maceration with all of the skins in contact with all of the juice - yet remains incredibly elegant in both weight and style.

In the glass it has a wonderful, fresh Pinot Noir nose of strawberry fruit and forest air intrigue. Richly textured palate with impressive depth and terroir

HOOKER RUGBY CLUB TIGHT HEAD WHITE BLEND 2017

85% Chardonnay, 15% Viognier

Pretty aromas of fig, cashew, sweet peach and elegant French oak lead to a citrus-fig combination on the palate. A harmonious finish of creamy texture, and mouthfeel with balanced, acidity lures you back for another sip. The Rugby Club Line pays tribute to David's athletic career, when he played the Hooker position at Stanford University.

VOODOO **RED MAGIC 2016**

100% Pinot Noir

The palate is filled with rich cherry flavours integrated with toasted oak and hints of plum. Good structure and balance, and finishes with fine yet firm tannins.

LIBERTY PRESENTS REMOISSENET 2019 WINE MERCHANTS A VINTAGE FOR THE AGES

Remoissenet Père et Fils, headquartered in a stunning 14th century building in the heart of Beaune, is one of Burgundy's most venerable producers.

Until recently Remoissenet has been in the careful hands of Roland Remoissenet; a figure described by Robert Parker as 'one of the most dashing' in Burgundy. Now under new ownership and the dynamic management of Bernard Repolt (previous president at Louis Jadot) and winemaker Claudie Jobard (the daughter of Laurence Jobard - winemaker at Joseph Drouhin for 30 years), the continued quality of this legendary producer is assured.

Remoissenet has the largest cellars of aged Burgundy in the world. The ancient cellars are full of treasures going back to well before World War II. Just gaining access to top wines of the region has always been a challenge for Burgundy collectors, which is why we feel privileged to have access to such a rare collection of aged Burgundy.

"The long, hot dry summer of 2019 created the perfect conditions in Burgundy for a superb vintage. Bernard Hervet, former director of Faiveley and Bouchard, went so far as to say that it could "perhaps rival 1865, the greatest vintage of all" - Financial Times

We have procured a great selection of 2019 Remoissenet for your collection and enjoyment.

2019 REMOISSENET

The vintage takes its place alongside other exceptional recent years in Burgundy, carving out a niche for its outstanding balance of intense fruit, firm structure and supple texture. If you love great Burgundy, you should think about securing some 2019s quickly. Given current pricing trends, they will never be cheaper than they are now. Although some people might find the reds a bit too fruity or the whites a bit rich, my advice is to relax and savour them: 2019 is a hedonistic vintage and these wines are a joy! - Decanter, January 2021
